Facility Use

Stillaguamish Valley Learning Center is located adjacent to Post Middle School and Eagle Creek Elementary. The campus has eight portable buildings, a playground, a nature trail and surrounding open spaces. You are invited to become an active part of our school.

The community is welcome to use the facilities after school operating hours have ended. Community use is encouraged and may be scheduled by contacting Operations at the district office at 360.618.6255.

Survey Results

A summary of the district's 2023 Family and Community Survey can be seen here: <https://www.asd.wednet.edu/communications/surveys>

School Improvement Plan

Stillaguamish Valley Learning Center (SVLC) is a K-12 school within Arlington Public Schools that operates under the Alternative Learning Experience (ALE) guidelines. SVLC students participate in the Arlington Online Program (AOP) or our SVLC Onsite Program. At SVLC, our focus this year is for our staff to engage in meaningful professional development and action steps to increase collective efficacy in tier one instruction by embracing the Universal Design for Learning (UDL) principles of variability and firm goals with flexible means. We have implemented the PurposeFull People/Character Strong curriculum. Student success will be measured by increased levels of grade level proficiency, as well as, iReady scores, and standardized testing scores. Each student at SVLC is assigned to a consultant who will review progress and meet with parents/guardians each month. When needed, an intervention is created by the consultant, with input from the student and parents, to support learning both at home and on campus.
