At 9:00, please log into SeeSaw and see the activities for the day. You do NOT have to complete them at this time. There are educational games you can play until it is time for your Zoom meeting.

At 9:30, Kindergartners log onto your Zoom meeting. At this time, we will be doing the flag salute, calendar, and weather-just like we would if we were in the classroom. I will also be answering questions and reviewing the activities for the day.

At 10:05, 1st graders log onto your Zoom meeting. You will be able to say hi and talk with the Kindergartners! 1st graders will then log off. Kindergartners will be doing the flag salute, calendar, and weather-just like we would if we were in the classroom. I will also be answering questions and reviewing the activities for the day.

At 10:50, both Kindergartners and 1st graders should take a break. Have a dance party, eat a snack, or go to the restroom.

At 11:00, both Kindergartners and 1st graders should watch the math lesson video on SeeSaw and complete the activities in your workbook
At 11:40, both Kindergartners and 1st graders should eat lunch and have another dance party!

At 12:20, both Kindergartners and 1st graders should choose an activity to do. This can be reading a book, playing an educational game, building something, etc.

At 1:00, both Kindergartners and 1st graders will watch the ELA video and complete the activities on SeeSaw.

At 1:45, both Kindergartners and 1st graders-this is a time that you as a family can sit down and talk about how the day went. You can also finish up work that you weren't able to complete for the day.

I will have the zoom session open from 9 am to 2 pm on Tuesdays and Thursdays if you need to log on for questions.
