Washington State Report Card

The Washington State Report Card provides school data at the state, school district and school building level. The report card includes information like assessment results, teacher qualifications and other information. View the report card at washingtonstatereport-card.ospi.k12.wa.us. You can also visit your child's school if you don't have access to a computer.

Andrea Dixon-Hundredmark, Principal

Facility Use

Stillaguamish Valley Learning Center is located adjacent to Post Middle School and Eagle Creek Elementary Schools. The campus has eight portable buildings, a playground, a nature trail and surrounding open spaces. You are invited to become an active part of our school.

The community is welcome to use the facilities after school operating hours have ended. At this time, a few organizations use the facilities for regular and occasional activities. Community use is encouraged and may be scheduled by contacting Katherine Ray at the district office at 360.618.6255.

A summary of the district's 2017-18 Family and Community Survey can be seen here:

School Improvement Plan

Stillaguamish Valley Learning Center (SVLC) is a K-8 school within Arlington Public Schools that operates under the Alternative Learning Experience (ALE) guidelines. SVLC creates individualized learning plans for all students in grades Kindergarten through eighth grade.

At Stillaguamish Valley Learning Center, our focus this year is to ensure 100% of our students show growth trending towards grade-level proficiency in both Math and Reading standards, as well as increased student accountability for Home Learning. To support this goal each student is assigned a learning plan consultant. The consultant will review student learning plans each month. When needed, an intervention is created by the consultant with input from the student and parents to support learning both at home and on campus.
